6. School Guidelines

- Sports Day is proposed for 14–19 December 2026; the final date should be announced after checking weather, venue and school calendar.
- Exam dates are deliberately spaced across the session; class-wise date sheets and syllabus portions should be issued separately.
- Religious holidays may shift due to official state notifications, moon sighting or local orders. Confirm dates before printing the final calendar.
- Include age-appropriate activities, inclusive participation, child safety, first-aid arrangements and parent communication for all events.
- Use the last working day of each month for class teacher review, attendance follow-up and activity documentation where practical.
